## PRAYER MATTERS

This week we are praying for **Brent and Shelley Weeks**, serving with **Reach Beyond** in Australia spreading the gospel throughout the Asia Pacific via radio. They have recently created some new programming and added two new languages to their broadcasts: Korean – particularly focusing on North Korea, and Himachali, another Indian language. Please pray for listeners to find the new time slots and frequencies for programs in their particular language. Heading into the Christmas season, pray for them as they seek to reach their neighbours through their church's Christmas events. The Weeks' ask us to join them in prayer for their three sons: Trevor, Malcolm and Nelson. Trevor is working as a journeyman mechanic in Edmonton, Malcolm just graduated from high school and is planning on taking a gap year, and Nelson is looking into options for an apprenticeship in either commercial cookery or patisserie. Please pray for God's provision and wisdom in each of their lives.

## ROOTED

In his letter to the Colossians, the apostle Paul writes, "So then, just as you received Christ Jesus as Lord, continue to live your lives in him, **rooted** and built up in Him, strengthened in the faith as you were taught, and overflowing with thankfulness." As Paul reveals, the gospel isn't just something for us to believe, it is something for us to experience in a growing and transforming way. This is what our fall **Rooted** study is all about.

This morning Scott will conclude our study speaking on:

**"The community of faith"**
