EVERYDAY MISSION

To be a Christian is to be a participant in God's everyday mission in the world. We say "everyday" mission to emphasize that this isn't about a trip somewhere else for a week or two, but about an everyday life wherever God has us. As someone wise has said, mission is about "ordinary Christians doing ordinary things with gospel intentionality". This month our teaching will explore a few trajectories of this everyday mission and gospel intentionality.

This morning we will be hearing from our FH Representative: Eric Strom. Since 2005 we have partnered with Food for the Hungry Canada in a development project in the Sasiga area of Ethiopia. FH works with churches, leaders and families to better health, supply clean water, create agricultural and economic options, provide education for all, empower women, care for a fragile environment and aim for sustainability after a decade. Between 110 sponsored children and direct giving, we provide \$70,000 of support per year. In 2017 the lowland region graduated and we were there to celebrate with them. Excitingly we are continuing support as the team relocates 30km and starts to bring hope to a further 25,000 people in the 'Mid-Highlands' area.

PRAYER MATTERS

This week we pray for **FH Ethiopia**. Please pray that the construction remains on schedule for their new office building. We also offer praise for the new school that the community plans to build on the compound, which will assist education in several communities and allow businesses to flourish creating more jobs and income to households. Pray also for the physical and spiritual health of FH staff in all areas of this ministry, that they would grow and be effective in their service.
