## PARTNERS IN CHRIST

A Study in Philippians

Recently we've begun a 10-week study in Paul's letter to the Philippians. As we quickly discover, this is a letter that speaks with fresh relevance to our world and lives today. Within these 4 chapters we find: Paul exploring the challenge of following Jesus in the face of opposition; the call to unity amidst diverse perspectives and agendas; the joy of Christ that no suffering can extinguish; and the life that is in Christ that death cannot defeat.

This morning we pick up in our series with a study in Philippians 2:1-11. Up till this point in the letter, Paul's words have been mostly introduction, but here he dives straight into the heart and soul of the letter - community, humility and the way of God.

Group study/discussion questions are available each week for personal and small group use. Find them on our website [www.lambrick.com](http://www.lambrick.com) under "resources".

## PRAYER MATTERS

This week we pray for **Clayton and Isobel Dougan** with **Evangelism International**, who are members of LPC. Today we pray for their evangelism and Bible Teaching ministry and especially for Clayton who is now in Scotland preaching and spending time with the elders and various prayer partners in the churches they were part of prior to coming to Canada. Clayton is also spending time with family, particularly his sister whose husband suffers from Alzheimer's disease. We pray for strength and successful ministry for Clayton and remember Isobel who will be home alone during Clayton's absence.
