PARTNERS IN CHRIST

A Study in Philippians

Recently we've begun a 10-week study in Paul's letter to the Philippians. As we quickly discover, this is a letter that speaks with fresh relevance to our world and lives today. Within these 4 chapters we find: Paul exploring the challenge of following Jesus in the face of opposition; the call to unity amidst diverse perspectives and agendas; the joy of Christ that no suffering can extinguish; and the life that is in Christ that death cannot defeat.

This morning we turn to Philippians 2:12-18 and explore the beautiful invitation and mysterious command to *"work out our salvation with fear and trembling"*.

Group study/discussion questions are available each week for personal and small group use. Find them on our website www.lambrick.com under "resources".

PRAYER MATTERS

Our partnership with **International Justice Missions (IJM)** focuses on Kolkata, India: their work with victims of sexual exploitation and their initiatives to reduce the exploitation of minors and improve the justice system's response to these issues. We are thankful for the women and girls who have been rescued from trafficking and continue to pray for healing and well-being for both the victims and the IJM staff working with them. We specifically pray for IJM's efforts to build relationships with the new people in key positions in government offices - relationships which are critical to IJM's work to transform the justice system.
