

FH Canada is part of the global Food for the Hungry network, a Christian non-profit organization dedicated to ending poverty in the most vulnerable communities through an integrated, holistic approach to sustainable development, including priorities such as agriculture, education, health, and gender equality. Since 2005, Lambrick has partnered with FH Canada in the Sasiga lowlands, a region west of Addis Ababa in Ethiopia. At that time Sasiga had no child sponsorship, no base camp, no clean water, gardens or healthy cattle. There was little leadership in an undeveloped community of both Christian and Muslim groups.

**Today LPC is celebrating 12 years of partnership and the graduation of Sasiga from FH Canada. 25,000 Sasiga lowlanders have recognizably alleviated poverty in their lives through our partnership, achieving sustainability in health, education, agriculture and social structure. Today we are pleased to welcome Kebede Workineh, Marketing Communications FH Ethiopia, as well as Bernie Willock, CEO FH Canada.**

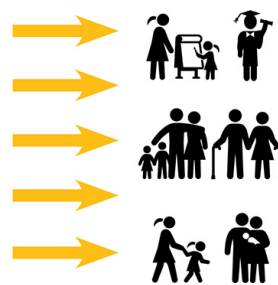

**YOU & YOUR PARTNERSHIP**

**\$38**  
monthly sponsorship

**YOU HELP TRANSFORM A CHILD & THEIR COMMUNITY**

- School tuition, supplies, and uniforms for children
- Food-growing assistance for farmers
- Clean water development for villages
- Income-generating programs for parents
- Public health education for families

**THE LPC COMMUNITY HAS GIVEN ALMOST \$500,000 TO SASIGA, THROUGH CHILD SPONSORSHIPS, TEAM TRIPS, SPECIAL PROJECTS AND REGULAR GIVING.**

Today we also celebrate our exciting future as we continue to partner with FH Canada as their team relocates 30km and starts to bring hope to a further 25,000 people in the Sasiga Highlands area. Would you consider supporting this work through child sponsorship?

In child sponsorship a vulnerable child is chosen by the community leaders to receive support. Children are honoured to be chosen and the community benefits immeasurably.
