

HOPE LOGOS

Lambrick has been offered a **short term mission opportunity** with Operation Mobilization (OM) Ships for 9 days in March 2018. The Hope Logos ship will be stationed in either Puerto Barrios, Guatemala or Puerto Limon, Costa Rica. OM would like a team of 12-14 people, with any age (even families) welcome. **There will be an info session on Sunday June 11th after the service in room 208.**

Please join us to polish things up inside and outside our church building! Come for an hour or the day. We need many hands – can you help?

- paint
- garden
- haul (bring truck / trailer)
- deep kitchen clean
- window & power wash
- small repairs

Thank you LPC! Last Sunday, 14 more children were sponsored from the Sasiga Mid-Highlands region. Your partnership contributes to the transformation of the entire community!

Pornography & Fighting for Freedom

"Pornography is everywhere: the internet, smartphones, television, movies and magazines. Christians recognize that sexuality is a good and precious gift from God. Yet, in a society filled with tantalizing sexual images and messages, it can be difficult to safeguard this gift and protect it from desecration and exploitation."

Pornography: Lies, Truth and Hope, p.5

The stats are sobering:

- 42.7% of internet users view pornography.
- The average age of first internet porn exposure is 11 years old.

Because this battle is so common and so fierce, we are having a conversation today with Justin and Danielle Ritter about pornography addiction and the fight for freedom.

KIDS MINISTRY

Upon arriving, please check your kids in at our check-in station by the main doors. Children stay with their parents in the service until their programs begin.

If you'd prefer to keep your little one with you and need a quiet place there is a daycare room in the office lounge.

PRAYER MATTERS

This week, pray for the political leaders within Lambrick's municipality of Saanich, in particular **Mayor, Richard Atwell, and the Council**. We pray for wisdom in their decisions, as they work with residents, other municipalities, and political leaders, to create and a vibrant and healthy region. Also, today we pray for **Hope Logos (an Operation Mobilization Ship)**, specifically those from Lambrick who are considering the upcoming missions trip in 2018. We pray for the successful mission of OM ships: to bring knowledge, help and hope to people of the world by supplying vital literature, training, relief and the message of the gospel. We pray for the teams of international crew and staff who live and work on the ships, visiting surrounding areas to supply aid and community care. We pray for the many they are currently caring for as the ship is docked in Jamaica.
