PRAYER MATTERS

Please pray with us this week for **Clayton and Isobel Dougan** and their ministry with Evangelism International. Thank God for their many years of faithful ministry, and for the sabbatical they are having this month. Ask for a time of rest and refreshment as they prepare for a busy fall of teaching and conferences. Please pray for continued guidance and direction regarding their future ministry. Remember in prayer the individuals who were impacted by Clayton's teaching at Capenway in July and ask that the words they heard will continue to impact their lives.

Over the last year, we've been talking and praying about our core calling to be **a community – seeking and following Jesus – for the sake of our neighbours**. We know this and are inspired by this. But we also know that this can't simply be an inspiring wish. It must compel us to action.

Enter: **ROOTED**. ROOTED is a 10-week congregation-wide discipleship intensive that we are diving into starting **October 1st** explicitly with this aim in mind. It's not just a Sunday teaching series. *ROOTED is a personal journey with God and one another*. The foundation is a daily reading and prayer journal, which we then *process together* in weekly ROOTED groups, and through Sunday congregational teaching. Along the way, there are three catalytic group experiences to help us move from conversation to action.

Beyond a program, seminar or workbook, ROOTED is intended to be **a catalyst to real growth** in our lives with God, our relationships with others in the church, and our participation in God's everyday mission in the world. If we're honest, this is something that many of us need and long for. Our prayer and aim is to see every person at Lambrick – young and old – invited and engaged in the ROOTED journey this fall. The only **cost** to ROOTED is the personal workbook - \$20 for adult edition, and \$10 for the student edition. If this is prohibitive for you, no worries. We've got you covered.

It's all starting up soon, so be sure to **register** so we can make sure we have enough workbooks and can work with you to connect you into a ROOTED group.

IMPORTANT Facilitator training is available on either Tuesday September 26th or Wednesday September 27th at 7pm.
