## EXODUS

FROM SLAVERY TO FREEDOM

Exodus is the gospel in the Old Testament – the story of an oppressed, oppressive and idolatrous world and a God who brings freedom. Though chronicling events from thousands of years ago, the story of the Exodus is as fresh and needed today as ever. We live in a world of oppression and idolatry, dehumanizing ideas and not-so-hidden slavery. Which means: We need Exodus to be our story. We need the rescuing God of Exodus to be our God.

## PRAYER MATTERS

This week we pray for Aimee in Asia with InterVarsity Christian Fellowship.

Aimee is teaching ELL at a new university campus this year. She is hoping to develop her team and have many outreach opportunities. So far they have engaged students in sports events. They are seeking as well to connect and establish close working relationships with the home churches there. She is asking for prayer for God's leading in these areas of investing in the lives of these students.
