EXODUS

FROM SLAVERY TO FREEDOM

Exodus is the gospel in the Old Testament - the story of an oppressed, oppressive and idolatrous world and a God who brings freedom. Though chronicling events from thousands of years ago, the story of the Exodus is as fresh and needed today as ever. We live in a world of oppression and idolatry, dehumanizing ideas and not-so-hidden slavery. Which means: We need Exodus to be our story. We need the rescuing God of Exodus to be our God.

PRAYER MATTERS

Today we pray for **Sue Priestley** - our long time missionary with **Operation Mobilization** - now on OM's Global Leadership Team.

We pray for the Team as they lead OM's efforts to see more people mobilized to go and reach the unreached of the world. We give praise for and pray for the Russian pastor and his church who, as a group, felt called to move to the Caucasus region to spread the gospel. We pray for Sue personally for increased wisdom and discernment as the team wrestles with operational issues such as moving money across borders and into sensitive parts of the world, complying with global data protection requirements and persevering in making sure systems and processes support OM's mission.

HELP NEEDED

We need volunteers for our Monday Evening ELL Ministry. No experience or training needed. Please contact the office if you're able to help.
