EXODUS

FROM SLAVERY TO FREEDOM

Exodus is the gospel in the Old Testament - the story of an oppressed, oppressive and idolatrous world and a God who brings freedom. Though chronicling events from thousands of years ago, the story of the Exodus is as fresh and needed today as ever. We live in a world of oppression and idolatry, dehumanizing ideas and not-so-hidden slavery. Which means: We need Exodus to be our story. We need the rescuing God of Exodus to be our God.

PRAYER MATTERS

This week we pray for Kelly Johnson and **Lighthouse Counselling and Training Centre** (formerly Live Again Rwanda) which provides professional individual and workplace counselling and training in Kigali, Rwanda. We give praise for two new professional counsellors, and donations of new laptops and office chairs for the counselling centre. We pray for Kelly's planned fundraising trip to Canada in December, and specifically that Kelly's husband Celo would receive his Visa in good time. We also pray for Kelly and Celo's plans to expand their ministry to include a women's shelter (the first of its kind in Rwanda), and for the provision of a small SUV for Kelly and Celo that could handle the roads they travel.
