EXODUS

FROM SLAVERY TO FREEDOM

Exodus is the gospel in the Old Testament - the story of an oppressed, oppressive and idolatrous world and a God who brings freedom. Though chronicling events from thousands of years ago, the story of the Exodus is as fresh and needed today as ever.

Currently, we are in an extended study on the 10 Commandments - not just as vital moral laws, but as a revelation of the God of Exodus, and the Way of Freedom for all.

This morning we are looking at the fifth commandment (Exodus 20:12)

PRAYER MATTERS

In May, Lambrick will be sending a team to Ethiopia, to visit a Food for the Hungry community development project that is just beginning in the mid-Highlands region of Sasiga. LPC has partnered with Food for the Hungry in this region for over twelve years, so we are known in the rural villages and schools of Sasiga: our well-wishes and photos adorn the walls in the homes of the most vulnerable; the development workers are encouraged knowing that we are thinking and praying for them; and we, in turn, are prayed for by the churches and are considered part of their fellowship. We thank God for this partnership, and for the opportunity to visit and turn partnerships into friendships.

Our team is going to listen and learn, bless and be blessed, as they see and experience God's transformation in this new development area. Please pray for the team - Pastor Scott, Geoff and Rosemary Gaunt, Brenda Lee and Brian Alton - as they start to prepare and plan, and for our church as we find ways for everyone to participate in the goals for this trip.
