## EXODUS

### FROM SLAVERY TO FREEDOM

Exodus is the gospel in the Old Testament - the story of an oppressed, oppressive and idolatrous world and a God who brings freedom. Though chronicling events from thousands of years ago, the story of the Exodus is as fresh and needed today as ever.

Currently, we are in an extended study on the 10 Commandments - not just as vital moral laws, but as a revelation of the God of Exodus, and the Way of Freedom for all.

This morning we are looking at the sixth commandment (Exodus 20:13)

## PRAYER MATTERS

This week we are praying for **Sue Priestly**, and her work with **Operation Mobilization (OM)**. Sue is in the process of transitioning from her position on the Global Leadership Team into another ministry within OM. Sue says, "From OM people around the world, I have been appreciated and affirmed many times. It is a sad and happy time.... all at once."

We give thanks that the handover to Sue's successor is making good progress, which means that Sue's workload has reduced significantly.

We pray for Sue as she takes the next months to complete the transition and slow down, prior to picking up more responsibilities in June. We join her in praying for God's guidance as she looks forward to what God has next for her.
