PRAYER MATTERS

This week we pray for our missional outreach to those who have come to us from around the world - those in **Lambrick's English Language Learners (ELL) classes.**

Our Monday morning classes continue to average about 12 students at different levels. We pray for the recent new students, for those who have just come back from China, and those who are now returning. We praise God for the gracious provision of the needed teachers each week.

As the Monday evening class begins to study the Passion story, please pray that the Holy Spirit will "translate", and students would understand the story in their minds and their hearts. Please also pray for more helpers in the class.

For our Thursday morning class, we pray that the Mandarin/English New Testaments we have given to newcomers will be a blessing, that the Holy Spirit will open the eyes of the hearts of the students, and that God's Word will bring life and hope. We give thanks for a wonderful translator who is a great help with the beginner students.
