## EXODUS

FROM SLAVERY TO FREEDOM

Exodus is the gospel in the Old Testament - the story of an oppressed, oppressive and idolatrous world and a God who brings freedom. Though chronicling events from thousands of years ago, the story of the Exodus is as fresh and needed today as ever.

We live in a world of oppression and idolatry, dehumanizing ideas and not-so-hidden slavery. Which means: We need Exodus to be our story. We need the rescuing God of Exodus to be our God.

## PRAYER MATTERS

This week we pray for **Jenn Taylor** who has just moved to Chile to work with **Florece** - a ministry to pregnant women and those with a variety of needs.

Jenn says: "I have just been here a month, but I am settling in well: my apartment is mostly furnished; I have bought a car; I am dealing with the logistics of visas, registrations etc... I have started singing on worship team at the church plant, and spending 1-2 days a week at Florece going through Bible studies and training materials. I have learned the "receptionist" role, and as my Spanish improves I will begin to move into a counselling role!"

We praise God for his faithfulness in this first season for Jenn!

We pray for Jenn, as her Spanish continues to improve and as she adapts to the Chilean dialect. We pray that the language barrier would quickly diminish and would not hold her back in ministry.

We also pray with Jenn for the women who walk through the doors of Florece, that they would have soft hearts to hear the Gospel and meet Jesus, the only One who can truly heal them and make them whole.
