EXODUS

FROM SLAVERY TO FREEDOM

Exodus is the gospel in the Old Testament - the story of an oppressed, oppressive and idolatrous world and a God who brings freedom. Though chronicling events from thousands of years ago, the story of the Exodus is as fresh and needed today as ever.

We live in a world of oppression and idolatry, dehumanizing ideas and not-so-hidden slavery. Which means: We need Exodus to be our story. We need the rescuing God of Exodus to be our God.

PRAYER MATTERS

This week we pray for **Mahima Care Homes** in Kolkata, who provide aftercare for girls who were victims of sex trafficking. The girls receive physical, emotional, social, vocational and spiritual healing, while the prosecution of perpetrators is aggressively pursued.

We join Mahima in praising God for:

- shelter and care for 2 new girls
- three girls who have just enrolled in vocational training
- healing and protection for a member of staff who underwent surgery recently
- the completion of administrative and financial tasks for the fiscal year.

We also join them in praying for:

- long delayed court trials to begin soon
- good exam results for the girls now going into final exam schedules
- continued good health and healing for those dealing with health issues among the children, staff, and families
- continued funding needs to be met for programs at Mahima
