PRAYER MATTERS

This week we get to pray for Sasiga! On May 19, the 2019 LPC team, travelled to the Sasiga Mid-Highlands area in Ethiopia. The Sasiga mid-highlands is a rural community of about 25,000 people from about 9 villages. The goal of FH is to end poverty of every kind in the mid-highland region of Sasiga.

Please pray for: Members of the Ethiopian National Staff who have visited us at LPC

- Trish Okenge, a Canadian who is the current FHEthiopia Country Director
- Daniel Ashnaff - Country Program Director
- Samson Kacha - Integrated Community Development Program Manager
- Kebede Lule (visited LPC in May 2017) our host in Ethiopia
- Shawn Plummer FH Canada CEO

MOST IMPORTANTLY lift up the Sasiga Lowlands – the area we referred to as Belo in 2005 when we started our partnered investment. Please pray that the 2017 graduation highlighting the work of FH and the local people would continue to benefit the lowlands and that it would not be undone by surrounding Ethiopian tribes.

Praise items:

- We are so thankful for the hardworking Sasiga mid-highlands team, led by Abera Shagrdi, who love the people and delight in showing us the results of their hard work.
- Praise God for Getinet who translates all the children’s letters so that we can read them!
- Praise God that we get to invest in the lives of poverty-stricken people in Ethiopia and participate in their story as together we move from stuck to thriving.
