Our objective is to provide summer staff with opportunities to:

- ✓ Support LPC staff with practical help and spiritual care to those within the sphere of influence.
- ✓ Take new skills into the world to minister locally and around the world!

The Intern will work directly with the Children's Pastor to:

- plan, prepare, and lead programs designed for children from infants to children entering grade 6, held daytime, evening and weekends
- consider and develop programs thoughtfully geared for families and children of varying ages, interests, abilities and socio-economic backgrounds, from the local community, with focus on providing events for the low income families including those struggling with food insecurity
- aid in the evaluation and implementation of changes to make the church's physical space and the curriculum more accessible to those with disabilities.
- assist in planning programs designed for launch in the Fall, and Winter (Advent, Christmas)
- recruit, establish positive relationships with and schedule volunteer assistants
- ensure all resources and materials are ordered, ready and available for each session
- assist staff and volunteers with office duties and coordination of programs involving children
- coordinate and schedule teams and/or volunteers and work directly with them as part of a team of program leaders focused on the continuity of our Youth and Child programs
- communicate and develop relationships with parents, caregivers, families and church as a whole
- develop leadership through the example and mentoring of experienced leaders, including pastors and senior staff with extensive experience with youth, children, administrative and technical directing, and leadership.
- observe and develop the intangible aspects of leadership in real situations: responsibility, values, initiative, honesty, and respect will be encouraged and modelled daily in the workplace
- use a variety of technology including scheduling, social media, and office applications

Note: the individual's skills and strengths may allow other responsibilities through the term.
